Awarded to

Volodymyr Prystai

For attendance at the

EASL Secretary General

Prof. Thomas Berg

EASL Monothematic Conference on Biliary Fibrosis

12-13 May 2023

Scientific Organising Committee

Prof. Massimo Pinzani

Prof. Mario Strazzabosco

The EASL Monothematic Conference on Biliary Fibrosis 2023, Florence, Italy, 12.05.2023 to 13.05.2023 has been accredited by the European Accreditation Council for Continuing Medical Education (EACCME®) with 11 European CME credits (ECMEC®s). Each medical specialist should claim only those hours of credit that he/she actually spent in the educational activity. Through an agreement between the Union Européenne des Médecins Spécialistes and the American Medical Association, physicians may convert EACCME® credits to an

equivalent number of AMA PRA Category 1 Credits™, Information on the process to convert EACCME® credit to AMA credit can be found at www.ama-assn.org/education/earn-credit-participation-international-activities. Live educational activities, occurring outside of Canada, recognised by the UEMS-EACCME® for ECMEC®s are deemed to be Accredited Group Learning Activities (Section 1) as defined by the Maintenance of Certification Program of the Royal College of Physicians and Surgeons of Canada.
